§212.7 Definitions.

(a) *DoD Family*. Active duty military personnel, retired members and those of Reserve components, dependents and surviving spouses of the foregoing, and authorized civilians as determined by DoD Components.

(b) *DoD Installation*. A location, facility, or activity owned, leased, assigned to, controlled, or occupied by a DoD Component.

(c) *Private Organization*. A generally self-sustaining, non-Federal entity, incorporated or not, and constituted or established and operated on a DoD installation, with the written consent of the installation commander or higher authority, by individuals acting exclusively outside the scope of any official capacity as officers, employees, or agents of the Federal Government.

(d) *Type 1—Federally Sanctioned Private Organizations*. Type 1 private organizations are those which are recognized in accordance with specific DoD authority or by special authority granted at DoD Component level. All Type 1 private organizations, except those exempted in section D., are subject to the provisions of this Instruction. Examples of federally sanctioned private organizations are provided in §212.6.

(e) *Type 2—Affiliated Private Organizations*. Type 2 private organizations which (1) operate on a DoD installation upon the written approval of the DoD installation commander, (2) operate as local affiliations of chapters, lodges (fraternal or benevolent organizations), posts (veterans' organizations), or elements of national or State chartered

organizations of the private sector, and (3) engage in activities of special interest to a voluntary membership or group of participants; examples of which are provided in § 212.6.

(f) *Type 3—Independent Private Organizations.* Independent private organizations which are organized, established, operated and controlled *locally* by common interest groups conducting specific activities that fulfill certain accepted needs or wants of some members of the DoD family, and have no formal connection or affiliation with an organization outside of the installation; examples of which are provided in § 212.6. Local initiative is exercised in securing written permission from the head of the DoD installation for their operation on the DoD installation.

(g) *Subtype of Private Organizations.* For classification purposes this is a relatively homogeneous functional grouping of private organizations, based on one or more of the following characteristics, having similar purposes or objectives, furthering related interests or conducting related activities, and comprising membership or participation of contemporary age levels.

(1) A subtype designation may be applied to more than one type of private organization, since the function being performed on a DoD installation is not limited by the connection or affiliation of the organization(s) comprising the subtype.

(2) For example, the function of community services, as a subtype of private organization, may be carried out through a Type 1 federally sanctioned private organization (Red Cross), a Type 2 affiliated private organization (PTA), or a Type 3 independent private organization (Thrift Shop).

(3) Section 212.6 provides a listing of the eight authorized classifications of private organizations by subtype and furnishes examples. The examples are illustrative and not all-inclusive.

(4) Classification of each private organization by type and subtype is a basis for positive identification of all private organizations and is a means of differentiating from nonappropriated fund instrumentalities.
